WELCOME CHARLIE!

Charlie Ciovacco joins Diamond as SVP

Charles Ciovacco recently joined Diamond Business Credit as Senior Vice President. He will be primarily responsible for new business development in the New England marketplace.

Charlie has over 25 years of banking and finance experience including 15 years in asset based lending. He was most recently in charge of small business lending at a regional bank. He is a member of the Commercial Finance Association and the Turnaround Management Association. He holds a bachelor of arts degree from Colby College.

George Gochis, President of Diamond Business Credit, said "Charlie understands small business, our target customer base, and he gets things done. We are all very happy he decided to join our team".

Charlie is also a partner at Diamond so when you're talking to Charlie, you're talking to a decision maker. Proof positive of Diamond's "no red tape" philosophy.
