JAMES T. ("JT") JACUS

joins Diamond Business Credit to manage
Rochester, NY lending office

Diamond Business Credit is pleased to announce that James T. ("JT") Jacus has joined the firm to manage a full service direct lending branch in Rochester, NY. From this office, JT will originate and manage loans in upstate New York and northern Pennsylvania.

JT has over 20 years experience in the banking and asset-based financing industries with an emphasis on small to mid-sized businesses. Prior to Diamond, JT worked for a boutique investment bank where he helped regional companies obtain capital for growth, restructuring and acquisitions. JT has spent his entire career in the upstate NY marketplace and is excited to bring a much needed small ticket ABL product to the area. JT earned a BS in finance from Canisius College.

In making the announcement, George Gochis, President of Diamond Business Credit, said "We are excited to have JT join our team. He brings a wealth of experience and a real grasp of the needs of small business in the upstate region. We have been planning an expansion to the area for some time and are excited about providing a source of working capital for companies that do not yet qualify for conventional bank financing."

Diamond makes secured loans from \$50,000 to \$1.5 million, with a focus on receivable and inventory financing.

Congratulations JT and best wishes for great success!
